

Share your **Vision** for growing your local tourism industry

The Cree Nation of Mistissini have hired CES to objectively conduct stakeholder consultations to assist with creating a 20 year vision for tourism development in your community.

The most important step in conducting our study is hearing what your thoughts and ideas are for the future development of your local tourism industry.

My Mistissini 2034!

Have your voice heard by completing a brief online survey and have a chance to win an iPod:
